ABOUT THE COLLEGE

Shrimathi Devkunvar Nanalal Bhatt Vaishnav College for Women owes its existence to the kind munificence of Shri Nanalal Bhatt for which the foundation stone was laid in June 1968. Named after the revered wife of our founder chairman Shri Nanalal Bhatt and owned and managed by the Cork Industries Charities Trust, this college caters to the need of women students from Chennai to as far away a place as Chenglepet. Apart from routine academic work, wide opportunities are offered to students in varied extracurricular activities.

The college has been reaccredited with 'A' Grade by NAAC in 2011

ABOUT THE DEPARTMENTS

The Department of Mathematics, established in 1970, offers B.Sc (Maths) under both aided and self-financing stream and Post graduate programme in Applied Mathematics in the self-financing stream. The Department of Computer Science was established in 1988 and offers B.Sc. Computer Science under aided stream and B.C.A, B.Sc Computer Science and M.Sc. Information Technology under self-financing stream.

ABOUT THE CONFERENCE

NCAMCS-2012 is a peer-reviewed conference. The aim of the conference will be to serve as a unique event focusing on recent developments in methods and modeling of complex systems for diverse areas of Computer Science and Mathematics, novel application areas where the novel models, algorithms and tools can be efficiently applied. The focus is to serve as a platform for the young researchers who are working in the field of Computer Science and Mathematics to present their original work. The conference is broad-based and covers all branches of research in Computer Science and Mathematics.

The interest areas of the conference include but are not limited to the following:

Mathematics

- Coding Theory
- Fluid Mechanics
- Functions of a complex variables
- Fuzzy Mathematics
- Graph Theory
- Image Processing / Signal Processing
- Ordinary and Partial Differential Equations
- Stochastic Modeling Techniques

Computer Science

- Image Processing
- Computer Networks
- Data Mining, Web Image Mining
- E-commerce
- Biometrics
- Neural Networks
- Bioinformatics
- Cloud Computing

SUBMISSION INSTRUCTIONS

Authors are invited to submit manuscripts written in English. All submissions will be referred by experts in the field based on originality, significance, quality and clarity. All contributions must be original, should not have been published elsewhere and should not be intended to be published elsewhere during the review period. Accepted and presented papers will be included in NCAMCS-2012 proceedings.
